Presidents Corner:

Greetings to everyone:

Everyone had a great time at the Beer, Cider and Wine Event as well as the Pizza Buffet held at the Beach Club during September. A huge thanks to all whom participate to support our special events. It is from the support of our members that we are able to continue holding these events for the POA. We look forward to seeing you at future events at the club. These special events as well as the regularly scheduled lunches, dinners and breakfasts are open to all members of the Lakewood Shores Property Owners Association as well as their guest. I encourage all of you to check them out and help us support our very own Beach Club, which is one of the many amenities, that sets Lakewood Shores apart from other communities and Property Owner’s Associations.

Coming up in the next few weeks of course is our annual Ladies Spa Day in October, plus the Michigan/Michigan State Game Chili Cook off in November, just to name a few. Please be sure to check the Liaison and Facebook for details and times for these events. Both of these events are a great time I we look forward to seeing you there.

It is also my pleasure to inform you that we have filled the vacancy on the Board of Directors with Norma Hallmann. Norma comes to us with experience serving as an officer on a community board in Florida, community development, business owner as well as a degree in business management. On behalf of the Board of Directors, we look forward to working with Norma in the future.

Keep an eye on the Liaison, Facebook, and the web page so you don’t miss any of our coming events. We look forward to seeing you at the Beach Club and other amenities here in the association. If you have any questions or need to know anything about any of our events feel free to contact the association office.

Respectfully,

Tim J. Schmieder

ROAD REPAIR/SERVICE INFORMATION

If you need service from the Iosco County Road Commission for potholes, missing or damaged road signs or any other concerns, you can go online to http://www.ioscoroads.org/ and click on “Service Requests” to open a ticket for them. The website gives you the option to create an account. You can skip that if you wish. Fill in the request and be as specific as you can. There is a map with a pin which you can enlarge. You can drag the pin to show the area you are reporting. You will receive an email when the work is completed so you can check it out. If you don’t have email, you can call them at 989-362-4433.
Attention Voters

Oscoda Superintendent of Schools Scott Moore would like an opportunity to speak with as many POA members as possible concerning the upcoming school millage proposal on the November ballot. At this informational gathering, Superintendent Moore will explain the reasons and rationale for the millage proposal, and how it will affect you and other Oscoda residents. He will also answer any questions you might have. If you are interested in meeting and hearing Superintendent Moore speak at the Beach Club, please call the office at 739-2607 and we will create a date and time for this gathering.

Canned Food/Toy Drive

It’s that time of year again when we show some local families how supportive and generous Lakewood Shores residents are during the holiday seasons with our food and toy drive. Please drop off an unwrapped toy or non-perishable food item (please no expired food, it can’t be used) off at the Beach Club and we will see that a local child or family will have a very merry Christmas. Drop off deadline November 20th.

Still lots of good weather for some tennis or pickle ball.

Any member and their guests interested in playing or learning tennis contact Bob Michaud at 989-305-7587.

A friendly reminder to ALL pet owners: The Michigan Dog Law is in effect in Iosco Co. For the safety and courtesy of other members, their pets, and yours, ALL DOGS must be on a leash or fenced. Also, please clean up after your four legged family members when on public or commonly owned properties. Your cooperation in this is greatly appreciated!

Trees can still be taken from Aaron Park. You dig all you want we just ask you try to fill the hole in as best you can.

Sock, Hat & Mitten Tree

Beginning November 1st, the sock, hat & mitten tree will be back in the dining room at the Beach Club. Please help us provide these much needed items to local children for the winter months. Something so small makes a big difference to others.
